Jackie Chan

Chan was born on 7 April 1954, in British Hong Kong, as Chan Kong-sang, to Charles and Lee-Lee Chan, refugees from the Chinese Civil War. His mother or parents nicknamed him Pao-pao Chinese: 炮炮 ("Cannonball") because the energetic child was always rolling around.[8] His parents worked for the French ambassador in Hong Kong, and Chan spent his formative years within the grounds of the consul's residence in the Victoria Peak district.

Hair is the fastest growing tissue in the human body.
FIRST THEY IGNORE YOU, THEN THEY LAUGH AT YOU, THEN THEY FIGHT YOU, THEN YOU WIN.

The Indian Army service to have been first used informally in the collective description of the Presidency armies (the Bengal Army, Mysore Army and the Bombay Army) of the Presidencies of British India, particularly after the Indian Rebellion. The first army officially called the "Indian Army" was raised by the government of India in 1895, existing alongside the three long-established presidency armies. However, in 1903 the Indian Army absorbed these three armies. The Indian Army itself plus the "Army of India" (1903–1947) which was the Indian Army itself plus the "British Army in India". The term "Indian Army" appears to have been first used informally. (British unit)
